Annual Army and Navy Battle Here.

No Money Guarantee Is Required. Measures Fear Little Opposition in House or Senate.

Definite action in the campaign to se

have been working to secure the Army-Navy game for Washington, yesterday were encouraged over the introduction of the bills and the attitude of members of both houses toward them. Private and careful canvass during the last few weeks has indicated that there is little ncerted opposition to the plan.

Mr. Mann Causes Worry. The attitude of Minority Leader James R. Mann is causing some werry, as Mr. Mann has declared that he is not particularly enamored of the plan. He has not, however, come out openly in opposition.

The feature of the plan as it now place on the Conduit road when a car stands, which is of greatest interest to plunged over an embankment near the Washingtonians, is that no money guar-District line and a woman passenger was antee is required and that the expenses are all to be paid out of the admission fees. The whole matter is to be con-

Au-thority for the construction of stands, seating 50,000, and an inclosure; the clearing of the ground after the game. clearing of the ground after the game, and the regulation of admission also is delegated to the Chief of Engineers. Senator Swanson, of Virginia, introduced the Senate bill and it probably will be nassed within a few days.

Mrs. Edward Keating, Mrs. Agnes Keeler, Mrs. J. C. Kelton, Miss Gertrude Noble Keneagh, Mrs. Alexander Kent, Mrs. Senate bill and it probably will be charges against Immigrant Inspector Kittner, Mrs. Charles C. Klauder, Philam Kent, Mrs. Charles C. Klauder, Philam C. Kl

turned over for such uses. This opposition is not expected to seriously hinder subordinate officers of the service. the passage of the House measure.

MR. CITIZEN, HOW MUCH!

\$800 for Program.

Contributions ranging from 25 cents upwards will be gladly received, and publice-spirited citizens who have not as yet given to the fund are urged to help.

The committee will meet tomorrow afternoon at 4 o'clock in Room 568 of the District Building to go over the plans and details for the day.

The contributions ranging from 25 cents upwards with the charge of the impactor's trip to the expenses of the i

reatures of the American foreign policy were ridiculed. Gen. Evans probably will be reprimanded if the inquiry de-velops that he was correctly quoted.
